## Teachers Disdain Board's Position

In reply to a request by the ANTIOCH NEWS, James Corrigan, Chairman of the negotiating team for the ACHS Education Association submitted the following statement regarding the status of negotiations for the 1971-72 contract between the Education Association and The Board of Education, District No. 117.

As we reported some time ago, the teachers at the Antioch Community High School unanimously rejected the board's position on the items being negotiated for this year's contract. The delay in our returning to the negotiating table stems in part from the simple problem of scheduling. The burdens of the academic year are making it difficult for us to find a mutually convenient time. Another reason is that the negotiating sessions are still under the rules of mediation. The federal mediator has decided to do some additional spade work to assure that the next session(s) will be more fruitful than the last.

The board was apparently shocked that the teachers rejected their "offer". This is, at best, mystifying. For all practical purposes the board has offered nothing. They watered down some of our recommended modifications of the PNA and rejected all the others. They have offered monetary advancements only to those whose course work has just earned them another degree or at least placed them on a different credit hour column within the salary schedule. This affects only two of the fifty-seven members of the association. The other fifty-five members are to be compensated neither for years of service nor for increases in the cost of living.

The board has said that they really don't know what the teachers want. This is hogwash. We've been at the table with them, off and on, for seven months. They know perfectly well what the problem is. Teachers have bills to pay too. To the best of our knowledge

there is only one other school board in the State of Illinois that has been as arbitrary as the Antioch High School Board of Education. Our board is one of two boards in the state that have refused their teachers some kind of a cost of living increase. It appears to the faculty that those who were on strike last fall are being spanked for having injured the board's dignity by going to the sidewalk. It appears that it must still be a live issue. Let us recall, then, that the agreement we had with the board clearly stated that in the event of an impasse a third party would be brought in to settle the dispute once and for all. The board's negotiator, however, announced that no such agreement would be honored. The board now says that it wasn't aware that this violation had occurred. Rather strange when you consider that two board members were in the negotiating chamber when their negotiator made the announcement. I asked one board member whether the strike had in any way influenced the board's attitude toward the teachers so far as present negotiations were concerned. He admitted that it was a contributing factor. So the board chastizes the teachers for striking, when striking was the only action left to them. What the board did in refusing to live up to the terms of the signed agreement was to rob the teachers of the right to relinquish the salary index with honor. If a third party had come in and said, "I find in favor of the board," there would have been no strike. There are about seventy members of the high school staff who know perfectly well who "precipitated" the walkout. It now seems, however, that because those teachers were so "naughty" last year, they are not to receive even a modest cost of living increase this year. Putting it more accurately, though, it reads like this: the faculty of Antioch High School is now paying the penalty for a blatant contract violation that was not of its doing. It seems to this observer that the only way for the teachers ever to ratify

a contract of the type currently proposed by the board would be for a binding arbitrator to come in and order us to accept it.

As for those who would think of the teachers as "greedy" or "undedicated", let them keep in mind that two years in a row we have returned to work without a contract. We, better than anyone else, realize our commitment to our students. If anyone wishes to call the teachers "undedicated", let him say it to our faces.

## Antioch Country Club Proposed Site For New Development

Land development projects have changed significantly in recent years. More attention is being given to the site, environment and the needs of the new residents. Many new development projects are called planned unit developments (PUD's). They are planned to provide a quality residential environment and usually include a variety of housing types with public and private open green areas.

The Antioch Country Club was recently acquired by Thomas F. Santino, an industrialist and developer from Northbrook. He is currently involved with the preparation of a planned unit development for the 255 acre site. The plan is based upon locating a series of residential areas along the fairways of the golf course. He proposes to construct a total of 1500 dwelling units which will include, single family homes, town houses, garden apartments, and condominium units. Most of the dwelling units will be sold, but the garden apartments will be rental units.

The golf course was formerly situated with nine holes north of Grass

Lake Road and nine holes south of Grass Lake Road. When all improvements have been completed there will be one challenging 18-hole golf course located south of Grass Lake Road for the use of residents, club members, and daily fee players. A private par-three nine-hole golf course will be located on the north side of Grass Lake Road.

Recreation facilities will be concentrated at the existing club building where tennis, swimming, boating, and golf will be available to club members. A small club house for the par-three course will also be provided. Public facilities will include the daily fee golf play, restaurant, cocktail lounge and live theatre. When completed about one-half of the site will be retained as open space. There will be almost three miles of frontage along the golf course fairways for residential home sites. Some of the units will be second homes for people in the city.

#### KAY LOFTUS LAUDED

On September 26th, Mr. and Mrs. Thomas Skuse of Libertyville and Mrs. Kay Loftus of Venetian Village, members of the New World Poet's Club of Chicago, attended the 25th Silver Anniversary Banquet of the Club at the 71 Club atop the Executive House on Wacker Drive in Chicago.

Mrs. Cliff D. Eitel, President of N.W.P.C. received a standing ovation as she introduced many distinguished guests, among them: The Very Reverend F. Torrens Hecht, S.J., Educator, Rector of Loyola University; Floyd Anderson, Editor of the New World; Annette Victorian, Author-Poet-Teacher; Dr. Richard E. Kinney, Educator-Lecturer-Poet; and Paul Saliner of W G N - the "Golden Voiced Gad-a-About" who read his own and several members poems that appeared in "Silver Laurels", and the Anniversary Anthology.

After reading Anna C. Skuse's "Tinted Syndrome" and listening to Kay Loftus interpret her poem "October Storm" Paul Saliner gave both ladies his hearty approval.

John Fields, Vice President, State Bank of Antioch presents check for \$165.00 to Ray Jenssen, Antioch Lions Club Candy Day Chairman.

#### Lions Set Candy Day

For OCT. 8

Nearly 28,000 Illinois Lions will be offering candy rolls in exchange for contributions for the sightless on Illinois Lions Candy Day for the Blind, Friday, October 8th. Entering its 20th year, Illinois Lions Candy Day has collected and distributed more than \$6,000,000 to agencies helping the blind since it began in

1952. The Antioch Lions Club has raised about \$6,000 over the past 4 years through Candy Day for the Blind. Their goal this year is \$2,000.

Approximately 100 Lions Club members and their wives will work this year, each donating 2 hours of their time.

This year Lions will be aiming at a statewide goal of \$8,000,000 to be directed to projects and programs designed

to lighten the burden of sightlessness. Candy Day helps support five major projects of Illinois Lions Clubs: HADLEY SCHOOL for the BLIND; LEADER DOGS for the BLIND; Illinois Camp Lions for Visually Handicapped Children; Dialogue, a recorded magazine, and the Illinois Society for the Prevention of Blindness.

As Candy Day totals have increased each year, the range of help for the visually handicapped has steadily expanded.

Along with the five major projects, Candy Day funds help with a broad spectrum of community activities aiding the visually handicapped in many ways.

A part of the funds raised in this year's Candy Day will be used locally to help pay for the Free Eye Sight Screening. The "Save Our Sight" screening will examine your eyes for the following: far vision, near vision, visual fields, depth perception, color perception, hyperopia, eye pressure (Glaucoma), and muscle balance. "S.O.S." operates on the slogan "Anything less - than your vision at its best is a form of blindness."

"Please give generously on Lions Candy Day for the Blind, Friday, October 8th. Look for Lions wearing yellow caps and giving away candy rolls to help the visually handicapped. Help the Lions help the blind on Candy Day, October 8th."

#### Area Residence Object To Apartment Complex

The Antioch Village Board meeting of October 4 met with some spirited opposition when the question of an apartment complex on Highview Drive came up for discussion. Several residents of the area were present at the meeting to voice their opposition to the project. Among those objecting to the location of apartments in a primarily residential area were Mr. and Mrs. Jack Davis, Mr. Robert Caldwell, Mrs. Eleanor Hauser, Mr. Anton Nab and

Mrs. Roger Halwas. The pastor of the Evangelical Free Church, which is located in the area, was also present. The residents main objections were that the primarily rural atmosphere of the area would be destroyed. Wild life which abounds in the area would be impaired as would the general welfare of all current residents due to the increase in traffic.

Supporters of the plan pointed out the general need for housing in Antioch and questioned the right of the residents to complain since this is primarily a village problem and the objectors live outside the village limits.

The question was once again tabled for 30 days.

A recommendation of the building committee for an ordinance regulating the minimum amount of floor

space in a family dwelling was approved by the board.

A contract for the cleaning of village catch basins was agreed upon with the National Power Rodding Co. The price will be \$9.50 per basin, up some \$400 over last year.

Due to a conflict with Mayor Toft's schedule the regular board meeting scheduled for Oct. 18th was moved to Oct. 19th with board approval.

It was reported that blacktopping in the Oakwood Knolls area had started.

Several complaints have been received that the village is being overrun by solicitors. Residents are reminded that they should check with any salesperson or solicitor who comes to their home to see if they have applied for and received a permit from the Village Clerk.

By official action of the board Sunday, Oct. 31 has been declared the official Halloween. "Trick or Treat" day. The hours were set as 3 p.m. to 8 p.m.

A request by the police department to institute a Youth Ride Along Program was approved. This program has met with a great deal of success in other communities. With parental permission as the

only requirement, young people from the community ride along in the patrol car and learn for themselves just what the job of a policeman is all about. After their patrol the high school age youths are asked to fill out a simple questionnaire. Any high school age youth who is interested in taking part in this program should contact Chief Davis.

The beautification of Antioch's Main and Lake Streets area hit a snag when Chairman Lou Simon discovered that trees planted in pots have an 80% kill rate. The only feasible plan seems to be planting the trees directly into the ground. A committee of the board was appointed to work with the Chamber of Commerce committee to seek a solution.

## EDITORIAL

### The Challenge

This week our editorial is directed towards our newly reorganized Village Planning commission. This is not a criticism of this group, but more directly a challenge to their abilities as individuals and their reason for existence as an advisory group to our village government.

Our challenge to this commission is **FORESIGHT**, an intelligent and thought-full concern with respect to the future of Antioch.

Already this commission is aware of the problems of growth in Antioch and recently were presented with one method of controlling this growth through annexation of land. This coming week they will have explained to them the proposed development of the area around the Antioch Country Club. There have been rumors and inquiries as to possible other developments in the area.

There is one very important thing for the commission to remember. As various groups make their development proposals, each group is basically a self-interest group, or they would not be there. This by no means is wrong, but it is something that must be remembered and given proper weight before deposition of a case is made.

Each and every group that comes before the planning commission will have a well developed plan, one that has been developed by a group of professionals in the field. At the outset the plan appears to have all the problems solved, but remember they have answered the problems in the way to meet their ends. This may or may not be for the good of the village as a whole. The job of the commission is to study each and every proposal with the utmost care and an ever present concern for the total effect to the village. The commission must not let the professional presentation color their thinking nor cover the fact.

The relative importance of the Planning Commission in the coming months to Antioch is going to be great. Their investigation into new proposals for growth and various developments and their recommendation to the Zoning board and or Village Board are going to have a lasting effect good or bad for a long time to come.

Mr. Thurston Davis once said "Ah, the insight of hindsight". Let us hope that the Planning commission develops an insight into their foresight for our future, because we do not have the luxury of hindsight if there is to be a future.

### Our Congressman

Lake and McHenry Counties, which have comprised most of the 12th Congressional District since the District was established by the Illinois State Legislature in 1961, would each be divided into parts of other Congressional Districts under a Congressional Redistricting map approved by a 3-judge district court.

The 12th District represented by Congressman Robert McClory of Lake Bluff would lose Deerfield, West Deerfield, Elia, Vernon and Libertyville Townships in Lake County to a new 12th District comprising parts of Cook County. The new 13th Congressional District would include the rest of Lake County and would retain Marengo, Riley, Coral, Dorr, Grafton, Nunda, and Algonquin Townships in McHenry County as well as most of Kane County except Aurora, Batavia and Geneva.

The U. S. District Court's action resulted from the failure of the Illinois General Assembly to effect a redistricting before its adjournment on June 30th.

In rejecting a proposed redistricting recommended by Illinois' 24 incumbent Congressmen, the District Court judges adopted a map which had received substantial support by the Illinois House of Representatives.

In commenting on the new redistricting, Congressman McClory declared: "The new Congressional map satisfies the one-man, one-vote principle, and appears to meet the criteria of compactness and contiguity. However, the redistricting is bound to cause much confusion and some disappointment. It is disappointing for me to contemplate losing parts of the existing 12th District. However, if the court's redistricting is sustained, I am confident that the citizens in the territory comprising the new 13th Congressional District will find a broad community of interest."

## PROCLAMATIONS

### PROCLAMATION

Modern Volunteer Army Month  
October, 1971

WHEREAS, A free society such as ours needs a strong Army to protect its highest interests in times of grave national peril; and an Army to be strong and effective must be an Army entirely contemporary and in tune with the needs of the soldiers as well as the needs of the larger society it serves; and

WHEREAS, The Modern United States Army is taking new and bold steps to accommodate the legitimate sensitivities and desires of today's young American men and women; and

WHEREAS, The United States Army offers to many of our brightest and most promising young people the opportunity for education and training in more than 300 different skills and professions, that they may become more useful and responsible citizens of our nation; and

WHEREAS, Answering the call to the national defense can and should be a highly honorable vocation, meriting the great respect and appreciation of all Americans;

NOW THEREFORE, I, Raymond Toft, Mayor of the City of Antioch, so hereby proclaim the month of October, 1971, as

### MODERN VOLUNTEER ARMY MONTH

and I commend this observance to all our citizens, but especially to those young Illinoisans between the ages of 17 and 21.

### A PROCLAMATION

by  
The Honorable Raymond P. Toft, Mayor of Antioch.

The Telephone Pioneers of America, a social-industrial organization with over 20,000 members in Illinois who have 21 or more years of service in the telephone industry, is approaching a milestone. I would like all men to know that:

WHEREAS: On October 28th, 1971, the Telephone Pioneers of America will celebrate their 60th anniversary, and

WHEREAS: one of the prime purposes of this worthy organization is to participate in activities that are of service to their fellow citizens and the community, and

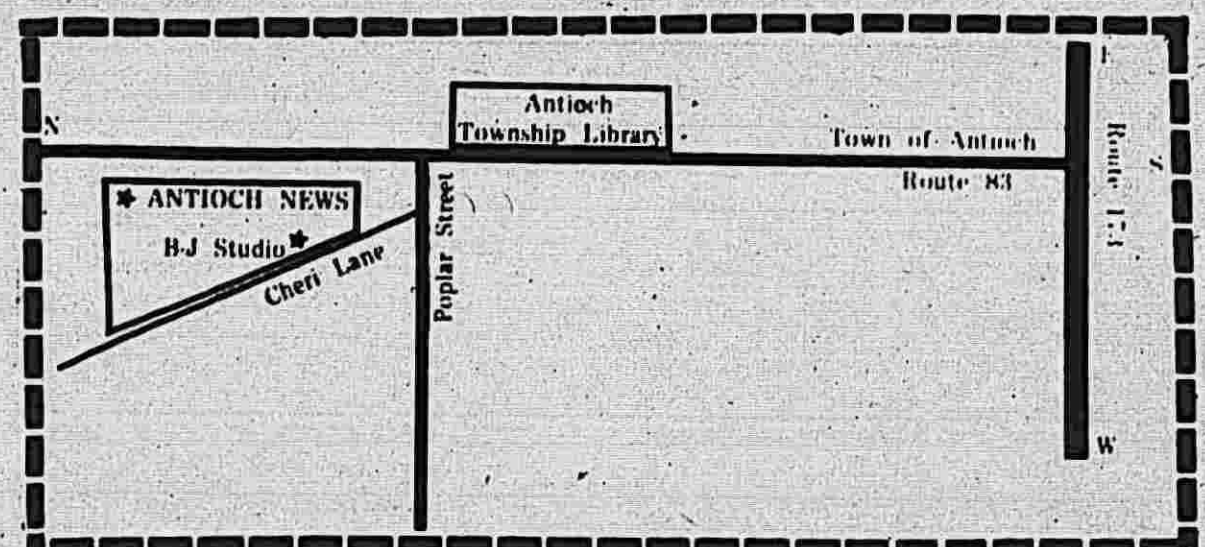

WHEREAS: in Antioch this has meant Bowen Park for Retarded Children and the Peeping Ball for the blind, and

WHEREAS: this contribution by the Pioneers to the progress and well-being of our community is of great value to the people of Lake County.

Now, therefore, in recognition of these 60 years of human service, I declare the week beginning October 24th, 1971, to be "Telephone Pioneer Week" and request the citizens of Antioch to join me in honoring the Telephone Pioneers and expressing their appreciation for the humanitarian achievements of this fine organization whose motto is "Fellowship, Loyalty and Service."

In witness thereof, I have hereunto set my hand this 4th day of October, in the year of Our Lord nineteen hundred and seventy-one.

s/Raymond P. Toft

### ANTIOCH COUNTRY CLUB DEVELOPMENT

Continued from page 1

The total population forecast for the site is expected to be under 4,000 persons. The proposed planned unit development will have an approximate value when completed of \$40,000,000. Mr. Santino's objective is to provide good housing in an attractive recreational setting. The average cost of housing units will range from \$22,000 to \$27,000 per unit. Construction is planned to commence in the spring of 1972.

It is Mr. Santino's plan to construct a sewerage treatment facility and water facilities on this site. At such time as Lake County has available a sanitary

sewer system, he proposes to connect with that sanitary sewer system.

**EDITOR'S NOTE:** This is a release from the presentation made to the High School Board by Mr. Thomas F. Santino, Mr. Robert Grossman, and Mr. Norman Drummond. Mr. Santino approached the School Board with the New Development proposal because he realized the development would result in an increase of students for the district.

Mr. Santino said to the school board, "We intend to help the community; work with the school boards; accommodate and benefit the community in every way that we can."

## Chiefs & Squaws Celebrate 4-H Week

The Antioch Chiefs & Squaws 4-H club helped to celebrate 4-H week by putting exhibits of some of their projects in the downtown windows of Barnstables and Jayne's Dress Shop.

Squaw reporter, Eva Auxier, says, "Our club did this so that we could let people know more about 4-H and that you really can accomplish a lot."

"We also feel that our club did very well at the fair." Those receiving awards are: MOSAICS, S. Amundsen-C, E. Auxier-A, C. Bailey-A, T. Ester-B, C. Moore-A, D. Perry-B, E. Teslow-B, Jamie Vasek-A, Jo Vasek-A. In WOODWORKING, C. Auxier-A, J. Ester-A, T. Zeman-B. In GUN SAFETY, C. Auxier-A, J. Ester-B, T. Zeman-C. In SEWING, S. Amundsen-A, E. Auxier-A, C. Bailey-A, T. Ester-B, C. Moore-B, D. Perry-B, Jamie Vasek-B, Jo Vasek-A. SEWING PH 2, Marilyn Harmon-C. CROCHETING, E. Auxier-A, E. Teslow-A.

"We feel that if more people

were in 4-H we would have a better world."

The Antioch Chiefs & Squaws is a rather new 4-H group in town. The young people have a choice from a number of projects offered for the year. When one is completed they may move on to another project. Among those offered for this year are: woodworking, gun-safety, (shotguns), fishing, sewing, crocheting, cooking, mosaics, flower arranging and dog care.

A business meeting is held once a month (3rd Tues.) at the Antioch S & L building and the project meetings are held in the leaders homes. There are 15 members in the Chiefs & Squaws group.

Other activities that make up "the fun" of being a member of a 4-H group are camping, share-the-fun nights, and monthly special training clinics at the Home Extension Building at the Fair grounds.

**LESTER L. LUCAS RETIRES**

Lester L. Lucas of 110 Washington Park, Waukegan,

has retired from North Shore Gas Company after more than 15 years of service.

A Pipeman 1st Class in the company's Distribution department, Lucas began his career with North Shore in 1956. Two years later, he was promoted to Pipeman Helper, and in 1959, to Pipeman 2nd Class. He has been a Pipeman 1st Class since 1961.

Lucas was born and raised in Wadsworth, Ill., and has been active as a member of the Millburn Congregational Church. He is married and has two sons and a daughter.

Lucas and his wife Mary, will soon move to San Diego, Cal., where he plans to spend more leisure time at his favorite hobby—fishing.

#### GLEN ERICKSEN IN TRUMPET RECITAL

Two trumpeters will present a Northern Illinois University student recital at 8:30 P.M. Tuesday, October 5, in the campus' Fine Arts auditorium.

Benjamin R. Banti of Franklin Park (9517 Britta Ave.) and Glen P. Erickson of Antioch (R.R. No. 2, Box 325) will play a variety of compositions. Admission is open to the public without charge. No tickets are required.

Included in the performance will be a composition, written this year, by Erickson. Banti will conduct a student ensemble with Erickson as trumpet soloist in the composition, "Concerto for Trumpet and Percussion."

Assisting student performers for the recital will be pianists

Jon Warfel and Charmayn Hoelterhoff, plus percussionists Lawrence Kaptain, Stacey Bowers, Beverly Naiditch and Thomas Kincaid.

Banti will open the recital with Warfel at the piano for Marcel Bitsch's "Four Variations on a Theme of Domenico Scarlatti." Erickson, accompanied by Miss Hoelterhoff, will play Barot's "Andante and Scherzo." Banti and Erickson, aided by Warfel, will perform Vivaldi's "Concerto for Two Trumpets."

The program will conclude with Banti and Warfel combining for Geoffrey Robbins' "Mont Saint-Michel" and the ensemble's performance of the Erickson composition.

## Along the Way with *Annie Mae*

This is National 4-H Week. A great organization for all kids. There are 4-H displays at Barnstables, Jayne's Dress Shop and the Library. Stop in and see what our young people are doing.

PM & L Banquet was held Saturday nite - Congratulations to Ron.

Now that the "water-fighting" season has come to a close for the Antioch firemen, Dale Frasch,

decided to throw a party. Good thing the weatherman cooperated, as there were about 26 adults and 32 kids to contend with.

Don't forget to attend the open house at the fire station Friday evening at 7:00 P.M. Some of the firemen will be on hand to explain the use of the equipment, etc.

GET WELL - Elaine Rockow and Ray Enzenbacher

- Channel Lake

Parents, don't forget to attend the "Back to School" nite, tonite, October 6th at the high school - See the school and meet your children's teachers.

Happy birthday wishes go to Beulah Anderson who celebrated on Oct. 5. Agnes Glenn will blow out the candles on the 8th and Jeff Smouse will eat that extra piece of cake of the 10th. All have a Happy!

Get out this week-end and take a ride in the country and view the wonders of Mother Nature - Painting the trees.

On my way,

Annie Mae

## SEQUOIT SMOKE STACKS

With the weather we've been having it sure is hard to keep your mind on school work. I knew summer vacation was too short.

The A-CLUB has picked the 1972 SEQUOIA QUEEN candidates. The lucky girls are: CHERI CRAWFORD, SHELIA WHITE, LYN HALL, KATHIE WALPOLE and JOAN WALKER. Congratulations to all of you. The winner will be made known when the Sequoia '72 comes out in the Spring.

Congratulations are also in order for RICK JOHNSON. Rick was featured in an article in the Waukegan News Sun concerning his radio station. He built one of his own and

broadcasts for his friends at Allendale. Keep up the good job.

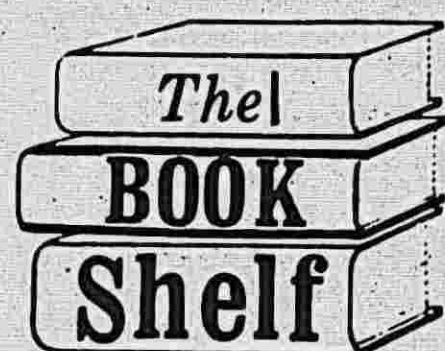

The JUNIOR CLASS sponsored a Blue Jean Dance on Saturday, October 2. It was held in the cafeteria from 8:00 to 11:00 P.M. The music was by the Union Time. All who attended had a real good time.

On Friday, October 1 a PEP ASSEMBLY was held in honor of our first home football game. The varsity players were introduced and the cheerleaders got the spirit going.

Well the spirit was at the game but apparently not quite enough. The SEQUOITS played a rough game but ended up losing 27-14 to the Lake Forest Scouts. The COLORGUARD marched between the games and the MARCHING BAND played at the halftime of the varsity game.

Smile!

Barb

Be sure to stop in and see the 4-H display in the Show Case. The display is in honor of 4-H Week, October 3-9. It will be at the Library all month.

ECOLOGY: The Circle of Life by Harold R. Hungerford.

PACIFISTS: Adventures in Cow... by Mary Virginia Fox.

TEACH YOUR BABY: a complete tested program of simple daily activities for infants and small children, designed to develop learning abilities to the fullest potential. by Genevieve Painter.

AROUND YOUR HOUSE by Henry E. Giles. Records the authors' efforts to save their log cabin in Kentucky from a federal dam project.

THE WITNESSES by Anne Holden. A crisis erupts in Sylvia Mason's quiet life when she witnesses a brutal attack on a seventeen year old girl.

Library hours are 12-9 p.m. on Weekdays and 10-5 p.m. on Saturdays.

### LOCAL MEN HONORED FOR SALES ACHIEVEMENT

For their high volume of life and health insurance sales during the first half of 1971, Jerry VanderMeer of Milburn Rd, Antioch, agency manager, and LeRoy Gallagher of Julia Ct., Antioch, Country Companies agent in Lake County have qualified as members of the company's 1971 All Star Team. They are among 317 agents and agency managers in Illinois to be so honored.

The Country Companies consist of Country Life, Country Mutual, Country Casualty, and Mid-America Fire and Marine Insurance Companies, and Country Capital Investment Fund, Inc., a mutual fund.

Qualifying as an All Star is a matter of pride and prestige for each member of the Country Companies agency force. It signifies they have achieved an enviable plateau of professional competence. The mark of a true All Star is his total interest in the welfare of his clients. Serving them well is his primary objective.

### 71 YEARS AGO, OCTOBER 4, 1900

Headline - "A challenge to Senator Pettigrew" It seems that Senator Pettigrew in a speech of his, declared that Col. Roosevelt did lead his regiment at San Juan Hill, but was six miles behind. A certain member of Col. Roosevelt's regiment took great offense at this remark and rode his horse around proclaiming, "Whoever says that Col. Roosevelt did not lead his regiment in that charge is a liar, a scoundrel, a coward and dare not tell me so to my face."

Shari is a big hit on BOZO

ANTIOCH hit the "big screen" recently. Little 2 year old Shari Syria was picked to play the Grand Prize Game on Bozo Circus on September 29th. Helping in the cheering section were Shari's mother, Drue and brother David, also neighbors - Mrs. Hill and her daughter Joanne. Hear-tell she was the "hit" of the show - making two buckets for a two year old is pretty good. Shari is the daughter of Mr. and Mrs. Jack Syria of Maplewood Drive, Antioch.

Brother Dave helped cheer Shari on

The weekend of September 22nd found GEORGE, PIERCE, MIKE HARLAND, JEFF GUTOWSKI and Scout Master RICHARD HARLAND attending the Order of the Arrow camp out at Fort Sheridan.

About 200 area children participated in a hayride at the MARLY GAUGER farm, last Saturday night. The weather was perfect for the children as it was warm, with a very large full moon to light the way for the two wagons and two trucks packed full of kids. After the ride the gang enjoyed a big bon fire and hot dog roast along with BOB AND LORRAINE LEMKE, and KATHY BEHRENS, DON AND DONNA MARCUSSIN, GEORGE HUCKER and CAROL WHITTON who helped Marly keep the kids in tow. Here tell there was a ghost in the woods along the trail that really scared a few of the kids. Anyone interested in a ghost for Halloween just call BUD BAKER.

TOM and HARRIET RUNYARD and WILLIS CONRAD returned Friday from a 10 day trip to the Blue Ridge Mountains of Virginia.

This reporter is very happy to report that after abdominal surgery last Thursday morning, RAY ENZENBACHER is well on the road to recovery. Ray is at Downey Veterans Hospital, Building 133 Room 205, Downey, Illinois. I'm sure cards from his many friends would be very welcome.

Speaking of hospital stays, CORDY WATERS is now home after nearly three weeks in Victory Memorial for knee surgery. Her recovery will be slow but Cordy is well on the mend and very glad to be home. MARIE 'DOLLY' BOBO is home after having surgery in St. Therese Hospital. Dolly is fine and will be recuperating at home for the next three weeks.

DAVE BEHRENS is sporting a cast on his right arm thanks to a losing battle with a tree in his front yard. The cast will be on for 4 to 6 weeks but that won't slow this 13 year old down.

Our local BOY SCOUTS of Troop 91, along with Troop 92 of Antioch are currently selling subscriptions to our own ANTIOCH NEWS. Please support our boys as the money they earn will go into the troop treasury to purchase much needed camping equipment and you will be getting the bonus of a very good newspaper.

MRS EMIL FROZETH entertained six women last Tuesday afternoon for their annual birthday luncheon. The women get together to celebrate each birthday and although Mrs. Frozeth's birthday was last June the luncheon was worth waiting for.

DOUG and TOM RUNYARD and JOHN SERSHON spent the past weekend duck hunting on the Mississippi River. Not sure if they had any luck but I'm sure they had a good time.

Our local Brownie Troop has been meeting at the Chan-

nel Lake School on Wednesdays after classes. The girls along with their leader MRS KAY DOTY have been studying First Aid.

The Girl Scout Troop and their leader MRS ARLEEN QUIRK are busy planning their first anniversary party to be held later this month.

The room mothers at Channel Lake School were the guests at a get acquainted tea Tuesday in the school cafeteria. Chairman for the event was MRS MARIE RICHTER.

Our condolences to Tom and Charlotte Smith and children on the death of Char's father.

Hope that BILL BAILEY is feeling better and able to eat something more than soup, mashed potatoes and poached eggs. Bill recently joined the ranks of the Pepsodent smile group. Don't fret Bill, it only hurts when you smile, frown, talk or try to eat. Take it from one who is going through the same thing. They say that every day gets better.

The first meeting of the Channel Lake PTA will be held Tuesday, October 12 at 7:30 p.m. in the school gym. Lets all try to attend and make this a big year.

BURNS - SHELDON

Mr. and Mrs. Robert Burns of Walnut Creek, California announce the marriage of their daughter, Glenna, to William Sheldon, son of Mr. and Mrs. Kenneth Sheldon of Lake Villa, Illinois on September 4th at the Antioch Methodist Church, Rev. Donald Cobb officiating.

The bride made her dress of

silk-wool with an empire waist, cap sleeves and trimmed in embroidered lace. She wore an illusion floor length veil also trimmed in embroidered lace and carried a nosegay of white roses.

The bride's attendants were Nancy Walkington of Wichita, Kansas, Wendy Kuechenmeister of L.A., California and Linda Sheldon, sister of the groom. They wore pink crepe dresses, empire waisted trimmed in rosebud lace and carried cascades of pink roses.

The groomsmen were Jim Litchfield, best man, Ken Sheldon, brother of the bridegroom and Bill Burns, brother of the bride.

A reception for 130 guests was held in the Holiday Inn in Gurnee.

After a honeymoon at the Abbey in Wisconsin, the couple returned home to Gurnee. The groom is employed by Commonwealth Edison in Zion and the bride plans to teach.

### DOROTHY WHITEHOUSE RECEIVES TOP EMPLOYEE AWARD

Richard B. Ogilvie has named Mrs. Dorothy E. Whitehouse of Antioch as one of Illinois' top fifty-one state employees. The fifty-one employees have been invited to attend the 1971 Governor's Awards Program banquet here Thursday, October 14.

At the dinner ceremony, Governor Ogilvie will announce the ten workers who will be honored as "State of Illinois Outstanding Employees." The remaining 41 finalists will receive "Excellent Achievement Awards."

Candidates for the awards program came from nominations by employees and supervisors in all state agencies under the governor. The awards selection committee, an independent group of citizens, judged the candidates for outstanding job performance and community contributions.

Five hundred state employees were selected in the committee's initial screening. The four hundred-fifty employees not attending the awards program will receive "Superior Achievement

Certificates."

In announcing the creation of the Awards Program, Governor Ogilvie stated "It has long been my wish to formally honor those state employees who, through their dedicated efforts, have made outstanding contributions in their service to the citizens of Illinois."

HAYDEN - 25th

William Hayden, of Rural Rt. 2, Box 184, Hunt Club Rd., Antioch, is celebrating his 25th service anniversary at Abbott Laboratories. He is a manager in Utilities at North Chicago.

Miss Jeanette Kricasant married Mr. Eric F. Dee at the Antioch Methodist Church on Friday, Oct. 1, 1971.

Mr. Dee is from Minneapolis and recently returned from the Air Force. Presently Mr. Dee is working at O.M.C. in Waukegan. Mrs. Dee is working at the High School. The couple plan to make their home in the Antioch area.

### Holt Installed

Mrs. Norman Holt, North Chicago, was installed as Le Petit Chapeau of Lake County Salon No. 191, Illinois Eight and Forty, the honor subsidiary of the American Legion Auxillary, at recent installation ceremonies at the Prime Time Restaurant in Zion.

Other officers installed were Mrs. Ray Suzzi, Highwood, Le Demi Chapeau Premiere; Mrs. John Howland, Libertyville, Le Demi Chapeau Deuxieme; Mrs. Howard Vaught, Mundelein, L'Archiste; Mrs. John Schultz, North Chicago, L'Aumonier; Mrs. William Franzen, Vernon Unit, La Secretaire; Mrs. Ted Odom, Libertyville, La Cassiere; Mrs. Henry Reinke, Waukegan No. 281, Le Concierge; and Mrs. Frank Waggett, Highland Park, Pouvoir Member. Mrs. Reinke is a past president of the

Antioch Unit.

The installing officer was Mrs. Fred Schultz, North Chicago; with Mrs. William O'Neill, Lake Forest, as installing chaplain; and Mrs. Robert Broege, Deerfield, the installing sergeant-at-arms. Mrs. O'Neill presented the past chapeau's pin to Mrs. Waggett. The "Blue Wings" Pin, denoting the office of Le Chapeau, was given to the Salon as a gift from Mrs. John L. Horan, Antioch Past Chapeau.

Mrs. Waggett received presentations of her memory book from Mrs. George Mitchell, Grayslake, chairman; her history from Mrs. 8:00 P.M., on Wednesday, October 6th. Speaker for the evening will be Mr. Dominick Cullens, Administrator of the Lake County TB Sanatorium. The hostesses will be the "8 & 40" members from the Mundelein Unit.

## Europeans Capture Motocross Trophies

An international Motocross race was held on the Grand Prix track at Turtle Park, Elkhorn, Wis., last Sunday with riders from Russia, Germany, Czechoslovakia, Japan, England, Belgium, Sweden and the United States.

Roger and Dave Debenham of North Central Suzuki acted as hosts for the Maiko Factory team and also served as pit crew for the German riders as well as 8 other riders from Calif., Penn. and N.Y.

The race consisted of three 30-minute motos with the ultimate winner determined by

an over-all point total.

In the 1st Moto Adolf Weil of W. Germany took first place on a Maico with teammate Willi Bauer placing 2nd. Torlief Hansen of Sweden riding a Husky placed 3rd.

In the 2nd Moto Adolf Weil of the Maico team again captured 1st place. Sylvion Goebors of Belgium riding a Suzuki placed 2nd and Hansen again pulled in 3rd. Willi Bauer, Weil's teammate, was out with engine trouble.

The final Moto saw Weil and Goebors switch with 1st place going to the Belgium rider.

Weil placed 2nd and John Banks of England placed 3rd.

Overall totals gave Weil the \$1200 winner's purse with Goebors placing 2nd and Hansen 3rd.

Early morning rain made the track extremely slick and treacherous. The course is a 1 mile track with many obstacles and super jumps creating an exciting race for spectators. As usual, American riders lost out to European riders, but the sport is catching on with American riders and spectators alike.

### 35 YEARS SERVICE ANNIVERSARY

Richard W. Larsen, 1404 Glenwood Avenue, Waukegan will celebrate his 35th service anniversary with Illinois Bell on October 10.

A test center foreman in Antioch, Larsen began his career in construction work in Waukegan. He has also held the positions of cable splicer, switchboard installer, repairman and testman.

He and his wife, Lorraine, are the parents of three

children: Mrs. John (Penny) Petitchair of Waukegan; David, a computer programmer for Pacific Telephone and Telegraph Company in San Francisco, and Rick, a senior at Northern Illinois University. They have two grandchildren: Debra 5, and Ann Petitchair, 4. Larsen is a member of Christ Episcopal Church, the Elks Lodge No. 702 and the Lakeland Council of the Telephone Pioneers of America, a civic and social organization of telephone employees with 21 or more years of service.

### STATE OF ILLINOIS ) SS COUNTY OF LAKE )

Public notice is hereby given that I, Robert G. Skidmore, County Treasurer and ex-officio County Collector of Lake County, in the State aforesaid, will apply to the Circuit Court of said County on Monday, the 25th day of October, A.D. 1971 for judgment fixing the correct amount of any tax paid under protest and for judgment against the lands and lots mentioned and described in the following list of delinquent land and lots for the general taxes for the years 1910 through 1970 both inclusive, together with interest, penalties and costs due severally thereon and for taxes, drainage and special assessments due for the years 1914 through 1971 both inclusive, together with interest, penalties and costs due severally thereon, and for an order to sell said lands and lots for satisfaction thereof. Public notice is also hereby given that on the 3rd Monday of November, 1971, to wit: on the 15th day of November A.D. 1971, all the lands and lots for the sale of which an order shall be made, will be exposed to public sale in the Circuit Court Room in the building where said Circuit Court is held in said County in the Court House at Waukegan, in said County, for the amount of taxes, special taxes, drainage, special assessments, interest, penalties and costs due severally thereon, except such as shall have been paid at said time of sale. Said sale shall commence at 9 o'clock A.M., Central Standard Time, on the 15th day of November and to continue from day to day until the same shall be completed and if for any cause such judgment shall not be rendered on the said 25th day of October then such sale will be made on the second Monday after such judgment shall be rendered commencing at 9 o'clock in the forenoon of such second Monday.

Costs on each tract or description of land two dollars; on each lot or description of lot one dollar and forty cents. Also interest at the rate of 1 percent per month will be added after July 1st on the first installment and 1 percent per month on the second installment after September 1, 1971.

Dr. and Mrs. Robert Pauletti, Grass Lake Road, became the proud parents of a son, born on September 23rd at Victory Memorial Hospital. This "very young man," named Bruce Eugene, weighed 8lb. 6 oz. He is now at home with the rest of the family - two older brothers, Arthur and Bobby, and his sister, Kathy. All three older children are students at Grass Lake School, and have

### Legion Auxiliary News

The 10th District American Legion Auxiliary will host the Department Caravan at 7:00 P.M., Wednesday, October 13th, at the Homer Dahringer American Legion Home in Waukegan. Mrs. Joseph Hogue, Waukegan No. 281, District President will be the presiding officer.

Special distinguished guests will be the State President, Mrs. Firman Hendricks of Cerro Gordo; State First Vice President, Mrs. Victor Lello, Chicago; and Mrs. Robert Sonne, Clifton, State Membership Chairman.

The Department Caravan is a school of instructions for all officers, chairmen and members of the American Legion Auxiliary, informing them of the new programs and parliamentary procedures for the ensuing year. Other members of the 10th District Auxiliary, who will be participating in this Caravan will be Mrs. Norman Holt, North Chicago, Department Assistant Sergeant-at-Arms; Mrs. A. J. Dorn, Mundelein, State Junior Membership Chairman; Mrs. Ray Rathmann, Antioch, State committee member on membership; Mrs. Herbert Gleason, Libertyville, state committee member on children and youth; Mrs. William Franzen, Vernon Unit, state committee member on Americanism; and Mrs. John Chudzik, Lake Zurich, state board member of the veterans craft exchange.

These state officers and chairmen will outline the year's programs, and also, hold a "question and answer" session.

Mrs. John W. Horan, President of the Antioch American Legion No. 748, states that there will be a good representation of Antioch Unit members at this Caravan.

Reports were heard from the delegates to the state convention of the Illinois Eight and Forty. They mentioned how impressed they were with the state totals of activities and achievements, and with the speeches of the Doctors who spoke on tuberculosis and cystic fibrosis. The Eight and Forty specializes in the prevention and control of tuberculosis and cystic fibrosis in children.

Entertainment was a hilarious, hill billy skit, complete with songs, and outfits with Mrs. Holt, Mrs. John Schultz, and Mrs. George Flugger, Vernon Unit; and Mrs. John Workum, Fox Lake, as participants.

Included in the chairmanship appointments are Mrs. Ray Rathman, Finance, and Mrs. Jahneke, publicity, both from Antioch.

probably been busy telling their classmates about the newest addition to their family!

Mrs. Joseph Rhymer, Route 21, entertained quite a few guests last weekend. The C.W. Wikoff's of Urbana had just returned from a vacation in Minnesota, and spent both Friday and Saturday with Mrs. Rhymer. Mrs. Wikoff is the daughter of Mrs. Rhymer. Other guests Friday evening were the Orville Hook's, and Mrs. Hazel Gleason of Grayslake. All eight enjoyed dinner at "The Iron Kettle" in Wilmet, Wisconsin. More company was welcomed Saturday when Mrs. Ruth Boehm and Mrs. Lois Thoen arrived from Libertyville. A pleasant time was had by all!

The Olivers Hunt's and John W. Horan's of Antioch are back home from a wonderful ten day vacation, spending most of their time in Florida. Their trip didn't start with the best of weather conditions - they traveled in heavy fog for quite a distance. The Smoky Mountains were lovely, but quite hazy, so they missed any panoramic views. In Tampa, Florida, the four toured the Bush Gardens and Brewery - watched the many colorful

birds, especially enjoying the parrots. They saw an incredibly clever performance with various birds as the sole actors. They strolled through the nearby zoo and noticed a wide variety of wild animals.

On to the famous Cypress Gardens with its gorgeous flowers and shrubbery, plus the added attraction of the crinolined "southern belles". The water show was fascinating and kept them well entertained.

Another stop to see the famed "Great Masterpiece" - the huge mosaic picturing Christ's "Last Supper". According to Dorothy Horan, this masterpiece is approximately the size of an outdoor movie screen.

The singing Bok Tower was next, and the combination of concert music played by chimes, the whole tower surrounded by a moat of clear water, and the beautifully landscaped lawns and flowers was a scenic beauty not easily forgotten!

To paraphrase (!) an old adage - "from the sublime to the ridiculous", the two couples drove to Spook Hill, but we'll let the Horans and the Hunts explain the optical illusion of this whimsical drive.

At Fort Lauderdale, they had the unique experience of dining at Pier 66, the 35 story high restaurant that is slowly but constantly revolving. It makes a complete turn every hour, giving everyone a marvelous view of the entire area for many miles. Pompano Beach proved delightful with plenty of picturesque palms, sunshine and blue skies, white sandy beaches and aquamarine sea. All four considered their two days there, both the epitome of luxury and the highlight of their vacation.

On their return trip, they visited Mrs. Crystal Shipmann; and Alice and Bud Busmole (all former residents of Antioch) at Fort Lauderdale. Stone Mountain, Georgia, with its huge rock hewn faces, (carved out of the mountains) of four Confederate Generals was very impressive.

Again, foggy weather followed them through the Smokies, which was a disappointment. However, all agreed that they thoroughly enjoyed this vacation!

## MRS. LAUDE HONORED

Mrs. John R. (Margaret) Laude of Stevens Point, Wisc., has been selected by the Curriculum and Instruction Committee of the Wisconsin Education Association as one of the twelve staff members who will be sharing outstanding teaching talents with classroom teachers throughout the state. The staff will be giving new insights in instruction to Wisconsin teachers and thereby contributing to instructional improvement. The classroom clinics conducted by the C&I Committee of the WEA will be held throughout Wisconsin. Locally they will meet in Burlington on March 18, 1972. The October Wisconsin Journal of Education will carry further information about Mrs. Laude and the clinics which are designed to give educators an opportunity to observe teachers recognized for their innovative techniques at work.

Mrs. Laude is now teaching Language Arts for the Rosholt Middle School, Rosholt, Wisconsin.

## Why is electric heat being installed in Chicago's proudest landmark?

Simple. Chicago's chilling winds and changing temperatures are tough on everything, inside and out—including 102-year-old landmarks like the Chicago Water Tower. So to help protect against these elements, electric heat is being installed. When it's completed, the inside of the Water Tower will have a constant temperature and even humidity, protecting the plaster and masonry from further erosion.

Commonwealth Edison is proud to have a part in preserving the Water Tower as a permanent tribute to the spirit and vitality of the people who rebuilt this city.

"Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases; Who redeemeth thy life from destruction."

This text from Psalms highlights the Bible Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" at Christian Science church services Sunday.

One of the selections from Science and Health with Key to the Scriptures by Mary Baker Eddy states: "As time moves on, the healing elements of pure Christianity will be fairly dealt with; they will be sought and taught, and they will glow in all the grandeur of universal goodness."

## W.C. Petty Honored

"I am deeply honored and if ever I have been on the top of the mountain, it is now. The opportunity of helping a worthy student through this scholarship fund is the highest honor you could pay me. I am indeed deeply honored."

With these words, Dr. W. C. Petty, retired Superintendent of L. C. schools, acknowledged the formation of the "W. C. Petty Scholarship Fund." Details of the fund and scholarship award were announced by Walter R. Johnson, Superintendent of Libertyville High School, to a gathering of Lake County School Administrators at Brae Lock Country Club, September 30. There were approximately 60 school administrators in attendance.

The scholarship fund, according to Johnson, was created to honor the commitment made to education in Lake County by Dr. Petty and was made possible by contributions of teachers from public, private, and parochial schools of the county.

DR. W. C. PETTY, second from right, expressed his appreciation for the formation of the "Dr. W. C. Petty Fund" to Walter Johnson, Superintendent of Libertyville High School. Observing the proceedings are, left, James Flood, and right Richard Erzen.

# CHECK YOUNG EYES

Parents often make the mistake of assuming that their child's vision is perfect if he passed the routine eye testing done in the elementary schools of Illinois. As a matter of fact, mass vision screening programs do not detect all eye problems and are not intended as complete examinations.

According to the Illinois Society for the Prevention of Blindness, parents should always check out a child's complaint about not being able to see clearly, even though his eyes may have been tested in school recently.

## Antioch Senior Operates His Own Radio Station

An Antioch High School Senior who recently created his own radio station, broadcasts nightly to buddies at the Allendale School for Boys.

Rick Johnson, age seventeen, an eleven year resident of the Allendale School for Boys in Lake Villa, Illinois has recently built the components necessary to establish his own campus radio station at the school.

Johnson, with the aid of electronics instructor, Mike Docherty of Antioch High, last year built a transmitter amplifier from scrap, over which he is currently broadcasting to 71 other Allendale youths from 8:30 - 9:30 P.M. each night on his station WKRK AM, 740 on the dial. He says, "The station works off a carrier current system."

Johnson, who also built a transmitter from a kit while he was in eighth grade, says that he has always been interested in electronics and especially communications. "I have thoroughly enjoyed Basic Electricity as well as Electronics I & II which I took while at Antioch," he said.

Rock 'N Roll type records dominate his programs but he also plays what he calls "Oldies

but Goodies". A fan of Larry Lujack of WLS, he is constantly listening so as to develop his radio skills and voice projection.

Johnson has recently started a 1½ hour pre-recorded jam session at the request of the student body. This program is played daily in the student cafeteria during lunch time.

Although he has never worked in a licensed radio station, he wants to find a job as a disc jockey in the midwest and eventually would like to become a part of network radio.

Two other dorm mates have participated in Johnson's program; Bob Scarpelli, who frequently plays way out "freak music" and Vic McGuire, who during the athletic season broadcasts five minutes of "Sport Shorts". Johnson said, "Whenever we have a dorm party, I always get to "kick out the jams" and roll the discs."

Johnson's cottage parent said, "The hobby has really been a way of life with Rick. It has helped him think positively and has proven to be an ego builder." He chooses many close friends who are also

interested in electronics. When asked if Rick ever missed a broadcast, he responded, "does the sun not rise!"

A teacher of Johnsons said that based on a five point system his grade point average increased from a 3.75 to 4.25. She felt this was brought about largely by self discipline learned as a result of his regular radio broadcast.

According to Michael Warren, Assistant to the Director, this hobby has enabled Rick to deal with a number of his particular personal problems. "While such devotion to one interest might damage a more stable young man," Warren said, "the satisfaction Rick has gained through his radio achievement has continually strengthened his social development."

Most of Johnson's equipment has been borrowed or donated. He has two seven inch tape players, slightly worn, two cassette players and one turntable with the motor shot. "I need a mixer and amplifier right now," he said. "I just haven't been able to save enough to buy them." In spite of that, Rick Johnson continues to come on each night "Kicking Out The Jams".

## THE RIFLES of L.C.

The fellow with all the questions at a Lake County Rifles practice session is usually Tony Bertuca - and he's obviously gotten some pretty good answers from the way he's performed so far. He's one of the major reasons for the fine job the Rifle defensive unit has put out this season. Not only does he key well on a play, but he also has a few interceptions to his credit which have given needed turn-overs to the Rifle club.

Bertuca, a Chicago native, came to the Rifles after being cut from the Cincinnati Bengals squad late in the summer.

"In Cincinnati they told me I needed to get a little more experience," began Bertuca, "and when I found out that the Rifles were so close to my home, I decided to come out for the team."

A one-hour drive from the north side of Chicago isn't really that close, but for someone who wants another crack at the pros, the trip to practices and games is worth it.

"I hope to get my shot at linebacker in the pros because you always see a lot of action there, and you're in on almost every play," Bertuca said.

Linebacking is his favorite

position, but he's also played guard, tight end, outside linebacker and safety in his football career which began when he was in seventh grade.

"I began playing football for the Hanlin Park Lions which was kind of like a Pop Warner League team in Chicago," said Bertuca. "I was a starting guard my first year when we took the league championship, and it's just something I'll never forget."

He played his high school ball at St. Patrick's in Chicago, and from there went to several colleges before ending up at his alma mater, Chico State in northern California. And getting "up" for a Rifle game is considerably different for him than his college days.

"In college, it's all this 'rah, rah' kind of stuff, and you find that you're more involved with the fans because you go to school with them," Bertuca commented. "Now, I'm out there to do my best, as always, but more of the psyche up task is on me."

The eight or nine tackles a game, along with a few assists and maybe an interception makes you think that the "psyche up" is something Bertuca has definitely mastered.

## LAKE COUNTY DIVING CLUB MEETS

Lake County residents interested in scuba diving and water ecology are invited to attend the Thursday, October 7, meeting of Lake County Divers, at the Mundelein Park District, Mundelein, Ill., according to Lake County Divers' President Howard Webb.

"We are interested both in meeting new divers, as well as Lake County residents who are just getting interested in diving as a sports activity," Webb said. "We can put potential divers in touch with instructors who will train them and certify

them when they've completed their diving courses," he added.

Lake County Divers is one of Illinois most honored diving clubs, having won the "Club of the Year" trophy of the Illinois Council of Skin & Scuba Diving Clubs for four years. No other Illinois club has earned the award so many times.

"We meet the first Thursday of each month in the Park District buildings at Mundelein," Webb said, "And visitors are always welcome. We often show diving movies after the regular meeting, so there's some entertainment even for the non-diver."

He added that the club is seeking to contact municipalities in the County that are interested in cleaning trash from their lakes. The Club provided diver teams to several Lake County cities to remove trash from lake beds and swimming areas. The club performs the work in the Spring and Fall months, before and after the regular swimming season.

## AIR FORCE HAS NEW 6 YEAR OPTION

Master Sergeant Joseph Kuczala, local Air Force Representative, stated that the Air Force now has a new 6 year option. Those enlisting under the six year option, are now assured by the Air Force of (1) an extended technical training period, (2) assignment in a guaranteed Air Force specialty before enlistment, and (3) initial assignment to the recruit's base of choice within the continental United States.

Sergeant Kuczala further stated that the 10 electronics specialties currently available under the program involve from 27 to 47 weeks of highly specialized formal technical training. Schooling for five of the electronics courses are a Keesler AFB, Miss.; three are at Lowry AFB, Colo.; and two are at Chanute AFB, Ill.

For application prerequisites for filling one of these important positions contact Sergeant Kuczala at 211 W. Water St., in Waukegan or call 623-9822.

## SUZUKI

Antioch  
395-3205

A real effort by all of the contestants at the Punt, Pass and Kick contest last Sunday.

## Punt Pass & Kick

The annual Punt, Pass and Kick Contest was held this past Sunday on the high school football field. This annual event which is held all over the United States at this time of the year is sponsored by the Ford Motor Company. Lyons and Ryan Ford sponsored our local contest with the help of the high school athletic staff. This year as in the past Mr. Roy Nelson, Head Varsity Football Coach, was in charge of running the contest. Helping Mr. Nelson see to it that the contest ran smooth were the other coaches of the high school coaching staff. For the first time, the Varsity Cheer Leaders presented the various winners their trophies.

The following are winners in each class, beginning with the 8 year old level. 3rd place - Haigert Howes-98½ yards, 2nd place - Kevin Haissler-112 yards and 1st place - Johnny Schmidt, Nine year old level - Michael Ksioszik-143½ total yards, David Frocek-173 yards. Ten year level - 3rd place - Bryan Lewkowicz-161½ yards - 2nd place - Walter Nowakowski, 163½ total yards and 1st place Robert Gallagher 199 total yards. Eleven year level - 3rd place Chris Ano - 164½ yards, 2nd place Brian Andrews-184 total yards and 1st place Alfred

Rothers 197 total yards. Twelve year level 3rd place Jim Pederson 159½ yards, 2nd place Jim Christiansen-167 yards and 1st place Matthew Warner 217½ yards. Thirteen year level 3rd place Dennis Pederson 175½ total yards, 2nd place John Christiansen-198 yards and 1st place John Bodin 206 total yards.

From here the 1st place winners will go to Crystal Lake on Saturday, October 9, for the Zone "H" competition. The contest will be held at the Coventry School beginning at 10:00 a.m.

## SOPHS LOSE TO LAKE FOREST

The first home game of the season for the Sophs ended in a 34 to 6 loss. This is the third loss for the Sequoits in as many starts.

The defensive unit gave up a TD each of the first two times Lake Forest had the ball. The offensive team could not move the football during the 1st half.

The second half things improved. At the beginning of the 4th quarter Bailey blasted through the left side of the Scouts defense, cut to his right and ran 35 yards for a TD.

Pocrnich led the team in tackles with twelve. Channel and Abear both intercepted one pass and Janosko recovered one of the opponents fumbles. Grayslake will be our next game this coming Saturday.

## Emmons Raiders Do It Again

Coach John Kakacek's football Raiders rolled up another victory in the Big Six Conference. This runs Emmons unbeaten string to 41 games in conference play, in all sports.

The Raiders easily defeated Lotus 27-0. The Raiders first score came on a 45 yard pass from Jon Bodin to Dave Lagerstrom. The PAT was added on a screen pass to Paul Petty. In the second period, Emmons moved to the 15 yard line. From the 15 John Kakacek Jr. broke through the middle for the score.

The Raiders added a touchdown in each the third and fourth quarter to wrap up the victory. In the third quarter, Lagerstrom took the ball on an end around and raced 20 yards for the score. Bodin added the extra point.

The final score in the game came on a 21 yard pass to Doug Wyatt. Wyatt then added the PAT on a safety valve pass from Bodin.

The game was highlighted by fine offensive and defensive work by the interior line, led by Tom Grego. Also contributing were Jeff Eder and Ken Cash.

## Cross Country

### CROSS COUNTRY OPENS SEASON

Opening with a rough season, Antioch Cross-Country battled hard against the competition only to lose most of them by close scores. The Cross Country team beat Grant 17-44, and North Chicago 19-44. Antioch lost to Zion-Benton 24-35, Barrington 26-31 and McHenry 43-20. Gary Mandehr and Rick Weiss are both running consistently. The rest of the team is slowly moving up and we're gradually improving. The underclassmen, too, are coming around and with Bob Dodd and Mike Harlan both running varsity.

### ANTIOCH ATTENDS MIDWEST CROSS COUNTRY MEET

The high school Cross-Country team traveled to Janesville, Wisconsin to participate in one of its most highly competitive meets of the year. The competition was made up of high caliber teams from both Wisconsin and Illinois, such as Frend, Rockford, Marshall and Arlington. The team finished ninth out of the eighteen. The "A" team attack was led by Gary Mandehr finishing second. The rest of the top finishers for Antioch were Rick Weiss, Brian Hallwas, Ken Jackson, Dave Wilson and Bob Dodd. All of them finished in the top 100. The "B" team finished twelfth out of the eighteen. The attack was lead by Mike Harlan finishing 41. In both races the starting number of runners almost totaled 200 in each.

### FRESHMEN DEFEAT LAKE FOREST

Antioch's freshman football team won its second game of the season by defeating Lake Forest 18-6. By winning, Antioch remained in first place in the Conference with a record of 2-0. They will put this record on the line by entertaining Grayslake next Saturday at 9:30 a.m.

Lake Forest scored first on a long pass play midway through the first quarter. Antioch came right back after the kick-off by marching 58 yards in 10 plays. JOHN HAY scored the TD on a 12 yard run. The extra try point was no good and the score was tied

6-6. Antioch soon had the ball back as LARRY LLOYD recovered a Scout fumble caused by a hard tackle by CHUCK SMITH. Six plays and 42 yards later, JOHN WALKER went the last 2 yards to score. Now it was Antioch 12, Lake Forest 6.

Still in the second quarter, a short punt gave Antioch the ball at the Lake Forest 44 yardline. In seven plays Antioch scored again. The big gainers were passes by KEVIN ANO to MIKE PERRONE for 27 and 21 yards, the latter good for the TD. The score of 18-6 stood for the remainder

of the game.

Coach NORM HAHN was generally pleased with the performance of his charges. He gave special credit to LARRY SMITH, who gained 67 yards in 10 carries and to the good pass blocking. He also cited TERRY LEAR and KEVIN ANO for pass interceptions that stopped two Scout threats. PERRONE was also praised. He made four fine pass receptions good for 73 yards. "My only real disappointment was our sluggish play in the second half," said Coach Hahn. "I know the heat had a lot to do with it but we should have been in good enough shape to handle it."

## L. FOREST DUMPS SEQUOITS

A string of victories for the Antioch Varsity Football Team came to an end when the Lake Forest Scouts invaded the home field last Saturday afternoon.

Antioch scored first after gaining possession of the ball on a blocked Lake Forest punt. Revell recovered the ball and scored from the 27 yard line.

With 3:55 left in the first quarter Antioch fumbled and Lake Forest scored. The Scouts opted for the two point PAT and succeeded. Antioch 7 - Lake Forest 8.

With 1:15 left Lake Forest blocked an Antioch punt and recovered on the Antioch 18 yard line. The next play carried for 3 yards to the 15. On the next play Olufs carried over. The PAT missed and the score stood at 14-7 Lake Forest at the close of the period. The PAT was missed and the half ended with the score 20 - 7 Lake Forest.

The Sequoits closed the gap with 1:13 left in the third quarter on a 44 yard pass play, Chapman to John Coia. PAT was good and Antioch had closed to within 6 points, 14 - 20.

Late in the 4th quarter the Scouts received a short punt on the Antioch 48 yard line. Lake Forest mounted a sustained 11

play drive which ate up yardage and the clock. McConable, quarterback for the Scouts, drove around right end to score. The PAT was good and Lake Forest widened its lead to a winning margin 27 - 14.

Despite the loss, Coach Roy Nelson credited several of the Sequoits for outstanding effort. Leaders in Antioch's ground game were Ken Sterbenz who gained 69 yards in 12 carries, Tom Phaeler, 21 yards in 8 carries and Greg Crutchfield who gained 39 yards in 10 carries.

Coach Nelson felt that Lake Forest had capitalized on two Antioch mistakes and scored on both. The Sequoit kicking game was off, leaving Antioch in bad field position a great deal of the time.

Next week Antioch will meet Grayslake on their opponent's field. Grayslake boasts a big backfield which averages 200 pounds and over, leaving the Sequoits overmatched in the weight department. "I believe we can beat them because our team has more drive," said Nelson. "However, they have just pulled off a win after dropping two and they are going to be tough."

"We will have to improve our timing and blocking in the line and provide more and better protection for our punters."

## 12th MAN

We were very disappointed in our performance against Lake Forest last Saturday. We made a lot of mistakes that cost us the ballgame. Basically, we didn't play all that bad, but our mistakes were very costly and Lake Forest is just the kind of team that will capitalize on your mistakes, which they did.

They weren't really as tough as the 27 to 14 score might suggest. I think we actually hit harder than they did. North Chicago definitely hit much

harder against us than Lake Forest. It was a very hot day and we were extremely tired toward the end of the second half. We can't get off the hook by blaming the heat though, because Lake Forest had to play in it too.

I think maybe we needed this loss to make our helmets fit again. Some of us were getting a little cocky and not taking Lake Forest seriously. It showed in our practices. Wednesday, we had a very bad practice and I personally have never had a worse one in four years. We weren't hustling or thinking. For a team that was 2 and 0, we looked and sounded pretty dead to say the least. In fact we even had a meeting before practice on Thursday to get some spirit. Then we had a much better practice.

We're by no means out of the championship, but we're going to really have to bear down. We can't lose another game, especially to Lake Zurich. We have to pull ourselves together now and win all the rest.

## AREA BOYS LEAD OFFENSIVE MONMOUTH LINE

Greg Drije of Antioch and Karl Jennrich of Lake Villa gave outstanding performances as the Monmouth College Fighting Scot Football team rolled over Coe College 29 to 0 in a game played Saturday, September 23rd.

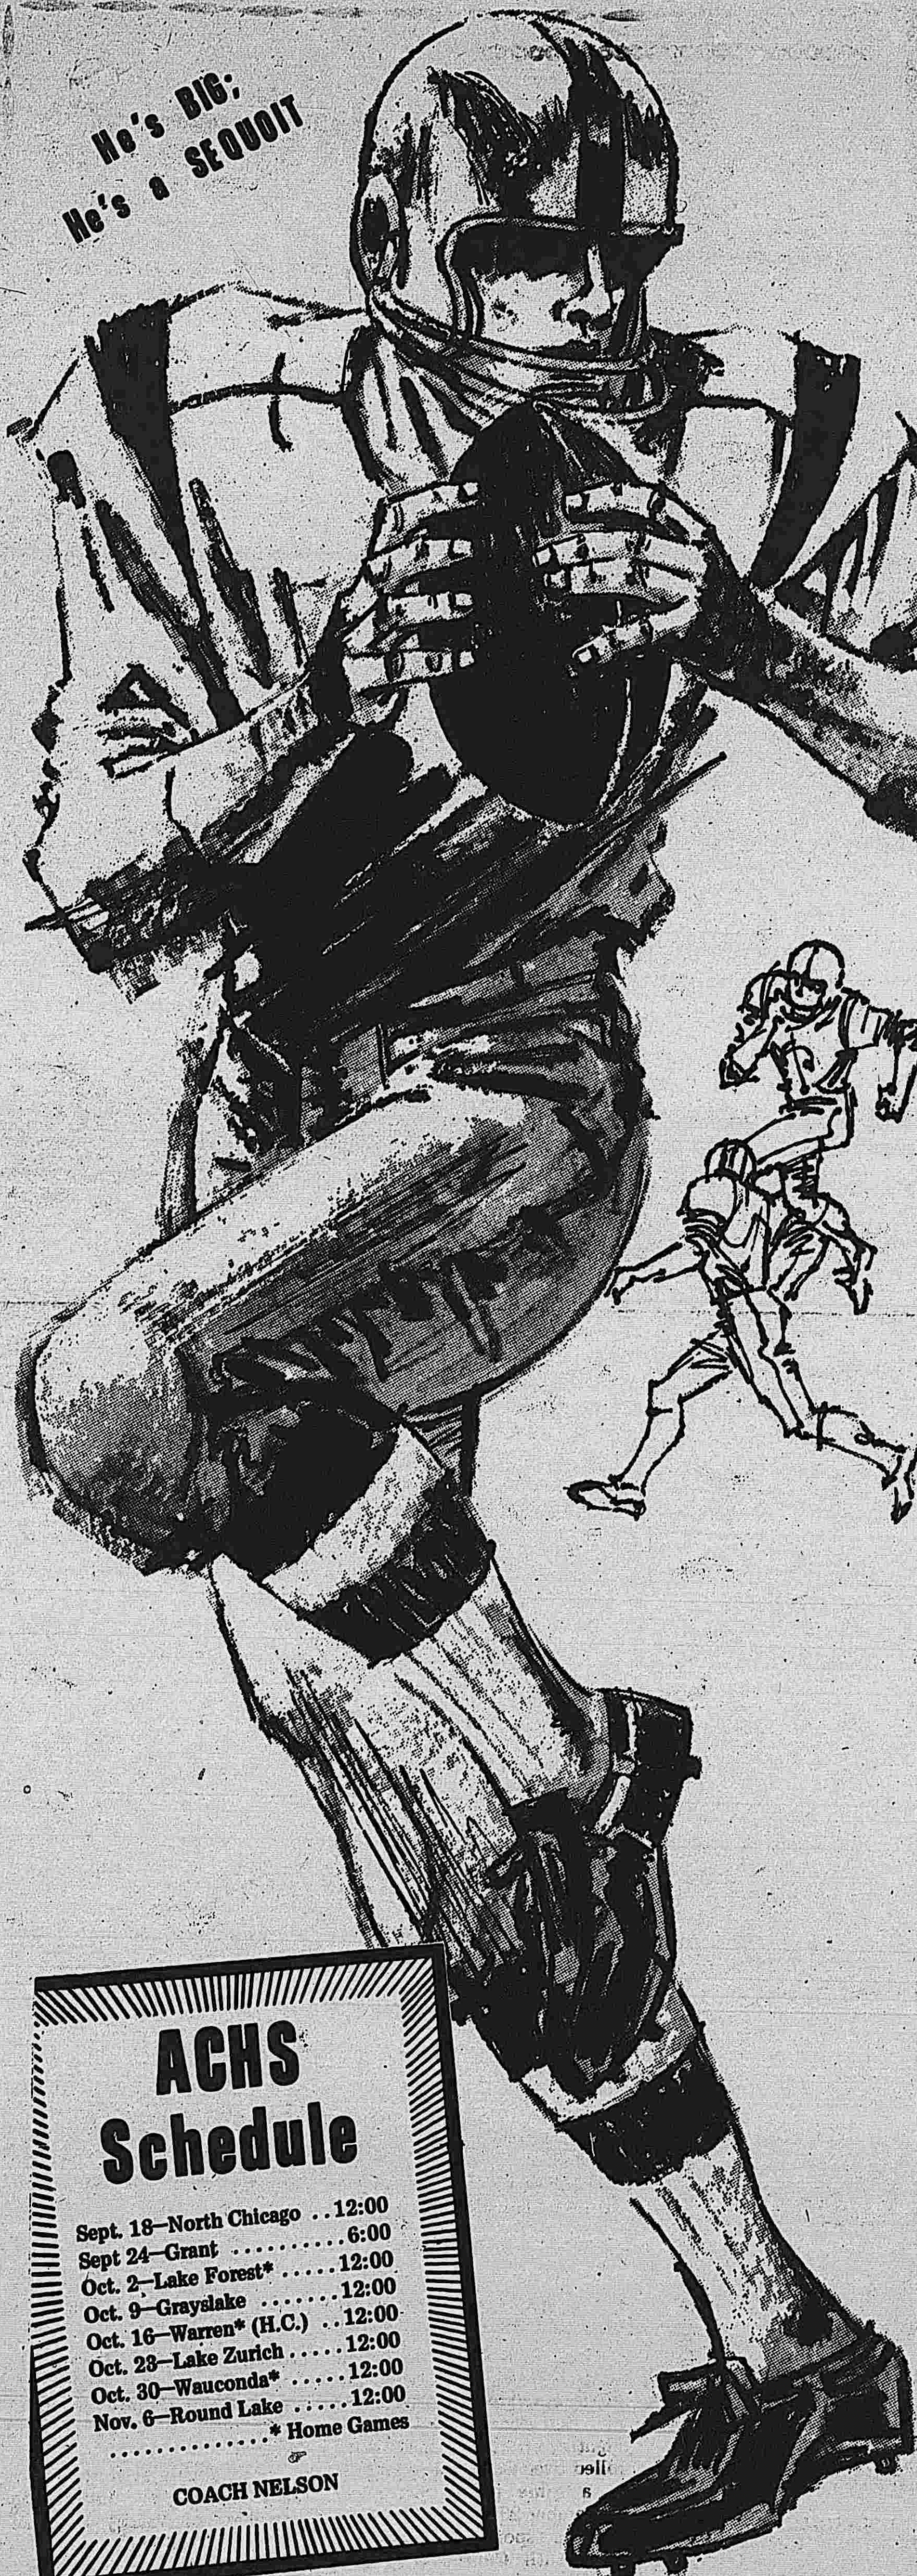

In a sports release from Monmouth College Greg and

Karl are credited with leading an offensive line which tore through Coe College for a total gain of 250 yards on the ground.

Both Greg and Karl will be remembered as outstanding members of Varsity Sequoits of 66-67 and 67-68.
